Hi Chris and Austin,

I just spoke to Linda about a report that me and Cara put with UMPD being really nervous and fearful with Nick Remmington knowing that we specifically came forward to the police after we came forward with the knowledge that we had with **Nick killing Dennis from Connor**. I express wanting a protective order, as well as extra police patrol around my building. I also sent them the new direct threats that Nick was sending to UMPD as well as Balog a few days after the report was made.. so I don't know why that wasn't added to the report. I attached the report that me and Cara made with UMPD that I was able to dig up a record of below.

I also don't know what the report doesn't mention the fact that I was followed and stacked by Nick Remmington when I was walking down the street, he was driving with his car at the same speed that I was walking, looking at me, and probably thinking what he wanted to say or potentially doing it to me, he then decided turn away and drive off. I was TERRIFIED.

I have attached the initial UMPD report, as well as the threats that he was sending to Cara (about me and her).. would that be considered intimidating a witness?

I have also attached conversations that I had with Balog and the UMPD about the threats and them kind of brushing me off. I asked Balog if he could report this to Nick's probation and I believe he never did..... Balog also told me that Snapchat would be sending information about a warrant to search my snapchat messages and that never happened. I'm wondering why my Snapchat was never subpoenaed as I have direct messages between Connor and I where he is describing the night of the crime... he ofc has deleted alot of his incriminating messages that he sent to me on Snapchat and instagram since then.

Here is the dropbox link: <https://www.dropbox.com/scl/fo/jj1rf8vj7fefg36iyj5kj/h?dl=0&rlkey=8e1t4ns6o5an2k3b8q1n1rpzr> (This has my convos with Balog and the police department at UMich, as well as the threats from Nick and him bullying us)

<https://we.tl/t-9du7VKgSws> This is link that has all the messages that I could find with me and connor conversating about insta on the case (he is talking about how denis crossed him)

I don't know if you have all this information already but I thought why not send it all in one big email just for my own records as well.

Please let me know if you have any questions.

Thank you,
Olga
