To whom it may concern,

Your FOIA request has been approved per the Michigan Freedom of Information. After a thorough search one case file, snapchat documentation and 911 calls were located and will be attached along with this memo. MCL 15.243(1)(a) allows for the redaction of information of a personal nature if public disclosure of the information would constitute a clearly unwarranted invasion of an individual's privacy. As such personal has been redacted.

You can find our Procedures and Guidelines as well as the Summary of the Procedures and Guidelines at <http://www.cityofnovi.org/City-Services/City-Clerk/Freedom-of-Information-Request-for-Records.aspx>. If you disagree with the fee charged, you may file an appeal with the City Council. The appeal must state the word "appeal" and identify how the fee exceeds the amount permitted. The appeal must be filed with the office of the City Clerk. The City Council will either waive the fee, reduce the fee or uphold the fee.

Within 45 days after receiving notice of the City Council's determination of the processing fee appeal, you may file a civil action in the Oakland County Circuit Court for a fee reduction. If you prevail in the civil action by receiving a reduction of 50% or more of the total fee, the court may award all or appropriate amount of reasonable attorneys' fees, costs, and disbursements. If the court determines that the city acted arbitrarily and capriciously by charging an excessive fee, court may also award you punitive damages in the amount of \$500.

If you have any questions, do not hesitate to ask.

Thank you,

Certificate of Authenticity

I hereby certify:

1. I am an authorized agent of Snap Inc. designated to respond to legal process on behalf of Snap Inc. I have authority to submit this affidavit on behalf of Snap Inc. I have personal knowledge of the following facts and could testify competently thereto if called as a witness.
2. Snap Inc. provides Internet-based Services to its subscribers, including the Snapchat App, its free photo, video, and message sharing service.
3. Attached is a true and correct copy of 1 .ZIP file(s) of data associated with the Snapchat identifier(s) hulkolas, with Internal Reference No. 54170790 ("Document") produced in response to a Michigan Search Warrant dated October 3, 2019.
4. The attached Document is a record made and maintained by Snap Inc. The servers Snap Inc. uses record this data automatically at or near the time it is entered or transmitted by the user; this data is kept in the ordinary course of business activity; and it is the regular practice and custom of Snap Inc. to make such a record.
5. Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct to the best of my knowledge.

Re: Search Warrant dated October 3, 2019 (Internal Ref. No. 54170790)

Dear Sir/Madam:

Pursuant to the Search Warrant issued in the above referenced matter, Snap Inc., the maker of the Snapchat App, has conducted a diligent search for documents and information available on Snap Inc.'s systems that are responsive to your request. Our response is made in accordance with state and federal law, including the Stored Communications Act, 18 U.S.C. §§ 2701, et seq.

We understand you have requested information regarding the Snapchat identifier(s) hulkolas, as specified in the Search Warrant. Accompanying this letter is responsive information to the extent reasonably accessible from our systems, and a signed Certificate of Authenticity.

Regards,

Bryant Macon

AT&T MOBILITY LLC

10/17/2024

I (Detective Harwell) have been requested to update this report with relevant information relating to the investigation.

FIRST SNAPCHAT SEARCH WARRANT

Detective Balog sent a preservation request to Snapchat on 04/05/2019 for accounts, "hukolas", "olgasssssss" and "connor gibaratz"

On 05/22/2019, Snapchat provided the following information regarding Search Warrant dated April 8, 2019 (Internal Ref. No. 40478262):

"We understand you have requested information regarding the Snapchat identifier(s) hulkolas, olgasssssss, connor gibaratz as specified in the Search Warrant. Accompanying this letter is responsive information to the extent reasonably accessible from our systems and a signed Certificate of Authenticity.

Please note that we have found no responsive data for Snapchat account olgasssssss for the parameter specified in the legal process therefore we have no information to produce.

Please note that Snapchat usernames cannot contain spaces, special characters or emojis. As such, the identifier(s) provided as connor gibaratz is/are invalid and we have no information to provide as it pertains to this target."

The Snapchat Search Warrant return for the "preserved" Hulkolas account consists of 1182 rows of messages from 03/19/2019-04/05/2019. The Snapchat Search Warrant return for the "current" Hulkolas account consists of 724 rows of messages from 03/18/2019-04/07/2019. The discrepancy in number of messages and dates is due to the preservation request and search warrant being delivered in different files by Snapchat.

On 03/19/2019, a message is sent from Snapchat username "mharrington1234" to "hulkolas" with the message "U give that kid meth?". "Hulkolas" responds with a direct message to "mharrington1234" with "Methylone some moll". Snapchat username "mharrington1234" is identified as Matthew Connor Harrington DOB:10/01/1998.

On 08/12/2019, Det. Balog interviews Matthew Harrington. Matthew Harrington acknowledge that

he sent Nick Remington a Snapchat message asking, "U give that kid meth?". Matthew Harrington then stated that he could not remember if Nick Remington ("hulkolas") responded back to him.

SECOND SNAPCHAT SEARCH WARRANT

On 09/26/2019, a Snapchat message was posted by username "hulkolas" stating, "To all 5,000 of you beautiful motherfuckers I need ketamine, who got?" with a cartoon bitmoji. Nicholas Remington was in Oakland County Jail at this time.

On 09/30/2019 Det. Balog sent a preservation request to Snapchat and on 10/03/2019, Detective Balog obtained a search warrant for Snapchat account, "hulkolas" for dates August 1, 2019 through October 1, 2019.

The Snapchat return provided two files. One is labeled hulkolas-54170790-1574350709056 which contains 50 rows of messages dated from 08/30/2019-09/30/2019. The second one is labeled hulkolas-54170790-1574350709183 which contains 45 rows of messages dated from 09/06/2019-10/01/2019.

Results of the search warrant revealed that multiple Snapchat messages had been sent by "Hulkolas" on 09/26/2019 to usernames "ryan_clark731", "king.sapphire", "nickporter_65", shojib.miah99", and "gluke9980". As well as the message referenced above.

The search warrant included the IP history for username "hulkolas" on 09/26/2019 reveals several log in and log outs by IP address 2600:387:0:809::70. This IP address is associated with an AT&T Mobility account. The geo-location data revealed that at the time the Snapchat was logged in on 09/26/2019, the latitude and longitude were 42.414/-83.500 within 19.83 meters.

A search of latitude 42.414 and longitude -83.500 provided a reverse geocoded address of 17603 Cranbrook Drive, Northville, MI 48168. A search of the address reveals that Connor Gibaratz lives at this address.

AT&T Mobility Search Warrant for IP address 2600:387:0:809::70

On 12/06/2019, a search warrant was sent to AT&T Mobility for IP address 2600:387:0:809::70. AT&T Mobility sent a response on 12/08/2019 which states, "AT&T is unable to provide any information in response to the Legal Demand because AT&T does not maintain records in the normal course of business that associate individual accounts or devices with wireless dynamic IP

----- Legend -----										
ID: References the specific Snap used internally										
Type: The type of Snap. 0 for image; 1 for video with sound; 2 for video without sound; 3 for friend request										
Sender: The username of the sender										
Sent: The date and time of when the Snap was sent										
Recipient: The username of the recipient										
Received: The date and time of when the Snap was received										
Viewed: The date and time of when the Snap was viewed/opened. Note this is "null" if unviewed or a friend request										
Expired: Whether or not the snap content has expired										
Timer: The duration of the Snap between 1 and 10 seconds. Note this may be "null" for videos and friend requests
