Hi Mark,

Per our phone conversation this morning, would you please email me all the case files in the right order? We have received a single PDF file from Mike Morse's office, but it's very difficult to sort the different case files within. The PDF file is over 1,600 pages long, includes multiple copies of motions, and there doesn't seem to be any rhyme or reason as to the order they are in.

So, if you would please email or share each file as a separate attachment, for example:

- 1 - police report
- 2 - Snapchat messages
- 3 - Motions from defense attorney
- 4 - Motions from prosecutor's office
- 5 - etc....

Thanks  
Linda
