

AFFIDAVIT OF OLGA LURYE

STATE OF MICHIGAN)
 SS
COUNTY OF WAYNE)

I, Olga Lurye, being first duly sworn, depose and state as follows:

1. That my name is Olga Lurye.
2. That prior to March 19, 2019, I personally knew Nicholas Remington and Connor Gibaratz. Nicholas Remington's Snapchat username is "Hulkolas," and Connor Gibaratz's Snapchat username is "connor_gibaratz."
3. That following the March 19, 2019, incident, Connor Gibaratz contacted me over his Snapchat social media account and informed me that Nicholas Remington had killed Denis Preka.
4. That on the same date, Connor Gibaratz called me over Snapchat and stated that he was present on the night of Denis Preka's death, and that Nicholas Remington intentionally provided Denis a "new drug" to test on him after Denis asked for Adderall to help him study. Nicholas Remington knew this drug was not Adderall.
5. That on the night prior to being informed by Connor Gibaratz that Denis Preka was dead, I saw that Nicholas Remington had posted videos of Denis on his Snapchat social media account containing footage of the March 18-19, 2019, incident. I personally knew Denis and saw him on the videos where he appeared to be overdosing with no one calling for medical attention and instead laughing/yelling at him. The videos also showed Nicholas Remington pouring water at Denis. Connor Gibaratz messaged me on Snapchat informing me that Nicholas Remington was pouring water on Denis in an attempt to humiliate him.
6. That Connor Gibaratz told me that Nicholas Remington had, on multiple occasions, informed individuals that he would give them one drug and instead intentionally provided them with another drug.
7. That Connor Gibaratz told me that he, Paul Wiedmaier, and Nicholas Remington did not call the police or medical personnel because they were afraid that they would get in trouble with the police or the authorities for their actions in giving a drug to Denis Preka when they knew he didn't ask for it. Connor told me that Nicholas Remington knew Denis was given a drug he never asked for. Connor also stated that Denis only asked for Adderall not what Nick was testing on him.
8. That Connor Gibaratz told me that neither he, Paul Wiedmaier, nor Nicholas Remington called for medical assistance for Denis Preka at all that evening and left him on the floor until the next morning. He then showed me pictures of EMS

personnel and police officers outside of Paul Widmaier's house.

9. That Connor Gibaratz told me that he didn't want to get Nicholas Remington in trouble as he was very good friends with him and did not want to tell the police what he knew.
10. I have personal knowledge of the facts contained herein.
11. If sworn as a witness, I can competently testify to the facts contained herein.

FURTHER AFFIANT SAITH NOT.
